Superintendents:

GaDOE is pleased to provide information regarding the \$115.7 million in funding available for school security needs and enhancements included in the amended FY 2023 (AFY23) budget. Each district has been awarded \$50,000 for each school identified and appropriated in the budget by the legislature to address security needs and enhancements.

All districts are required to submit a budget per allocated school in the Consolidated Application to receive approval for these funds. **The funds may be spent on any one-time purchase of goods or services within this scope but cannot be used for ongoing expenses such as salaries, rent or vehicles.**

The district may apply for reimbursement by submitting the invoices dated March 10, 2023 or later and other appropriate receipts through the Grants Application beginning July 1, 2023. These funds are available for reimbursement through June 30, 2024, but districts must submit their request in the GaDOE portal no later than March 1, 2024.

If you have any question regarding this process or require additional assistance, please contact Mike Sanders, Director, Facilities and Pupil Transportation: 404-656-4556, michael.sanders@doe.k12.ga.us or Sarah Morris, Assistant Director, Facilities and Pupil Transportation: 404-617-9409, smorris@doe.k12.ga.us.
